Hi Will,

Thank you for the reply. I too was pleased by how nursing staff conducted themselves. I have provided staff and adolescents with support this (pm) re meeting held this afternoon. At Trevor's request I phoned [REDACTED] to inform them of meeting today due to having a good rapport with them [REDACTED]

DSVF's has been completed for staff that kindly stayed back for the meeting. Would you be happy to approve myself overtime for this evening as I was due to finish at 1830 hours.

(Reason for start time 1030 was so I could support a [REDACTED] that has been requiring peer support; just finished (2055 hours) providing support [REDACTED] dissociating).

Thank you for your time,

Vanessa.

Hi Will,

Thank you for your support today. I am just wanting to confirm that the nursing staff that stayed back today to hear the announcement are to be written down on the DSVF?

Thank you for your time,

Vanessa.
