Hi

progress on BAC.

1. Communications- Media dealt with no intention to offer anything further.
2. Parents are going to the Minister.
3. Psychiatrist Anne Brennan has spoken to all parents except [REDACTED] and thought concerns re-safety of children are resolved.
4. [REDACTED]
5. Waiting list and [REDACTED] is vocally opposed to losing opportunity to attend BAC.
6. Waiting list patient to be admitted as day program patient.
7. No more inpatient admissions
8. Seek Board's view on clear end date for admissions.
9. Communication with other inpatient units that they need to consider alternatives if BAC is currently in their discharge planning.
10. Clear need for some form of residential support. Reference grp to finalise advice on resi option in next fortnight.
