Dear Stephen

I am away on Friday but have spoken to Liz (DoN). If you can come in the morning we can arrange someone to take you around and I can then talk with you on Monday.

Dear David

I understand this is still under negotiation.

I know you have expressed reservations about the appropriateness of the proposed interim site at Logan Hospital for adolescent beds after Barrett closes. Based on our conversation at the Senior Leadership Forum, I also have concerns.

Is it possible for Leanne Geppert, Ingrid Adamson (Project officer for the Implementation Strategy) and I visit the site sometime this Friday (30th), so we can view the ward.

Kind regards

Stephen
