Hi Berni

Could you please collate all information re BAC waitlist consumers and store it safely on G drive or wherever is most appropriate, such that it will be accessible when new services for adolescents come on line?

There is the excel spreadsheet, the emails to/from Leanne on 12/2/14 and the update from Kathy Stapley 25/2 at 3.05, then the email from me on 25/2 at 3.51pm.

Thanks very much

Anne
