I'll be unable to attend the Monday afternoon meeting. I'll make myself available for all the other suggested times.

Good Afternoon All

I am endeavouring to organise a final teleconference of the Barrett Adolescent Planning group early next week to consider the Expert Clinical Reference Group recommendations.

It will be important to have all representatives available to work through these recommendations which, it is anticipated, the ECRG will deliver late this week.

It is envisaged that we will require approximately 1 ½ hours to work through the recommendations.

Some proposed times are:

Monday 13 May 3.30 pm
Tuesday 14 May 3.00 pm
Wednesday 15 May 8.00 am
Wednesday 15 May 1.00 pm

I recognise the difficulty in getting so many busy people together at such short notice but it would be appreciated if you could advise a time most suitable to you.

Many thanks

Regards
Kris
