Dear Sharon

Please find attached the following Barrett Adolescent Strategy ECRG endorsed documents:

- v5 Preamble (pdf version + word version); and
- v5 Service Model Elements for Adolescent Extended Treatment and Rehabilitation Services in Queensland (signed pdf version + word version).

These documents were endorsed by 11 of the 12 ECRG members - Dr Philip Hazell (NSW) is currently on sabbatical and was unable to endorse this latest version of the documents.

I would like to acknowledge the significant contribution of each ECRG member towards this outcome, and sincerely thank them for their time and commitment since December 2012. The ECRG process has been extremely positive and productive, despite the challenges of the task and the demanding work schedules of each member.

Please do not hesitate to contact me if clarification is needed. Otherwise, I look forward to discussing the proposal at the Planning Group meeting scheduled for Wednesday, 15 May 2013.

Regards

Leanne and the members of the ECRG
