Not yet. My advice was that we should close it and develop replacement services both day centres and NGO respite. I think he will want to talk to you when we come out next week.

Subject: Barrett

Hi Bill

Was there any advice from the DDG about the next step with BARrett. We ahve a meeting this afternoon at which we were going to discuss how and what to advise the staff. Advising that we have no further info is OK.

Regards

Terry
