I'm handing this over to you now...for the record I am concerned that:

- a) it doesn't look like the letters have gone to the Chairs
- b) the new people in the Minister's Office don't seem to understand what was agreed, and
- c) Mental Health Branch are still trying to slip in closure of the Redlands Adolescent unit. They say they now have DG support but like you I am concerned that they provided a rigorous analysis of the implications of ceasing this project.

good luck

Hi Jacqui and Paul

Thank you for keeping us in the loop with this.

An update from our perspective is that we have signed DG approval for the Redlands Adolescent Extended Treatment Unit cap project to cease, and the Brief has now been forwarded to the Minister for approval. Bill intends on following up with Michael on Mon 9/7 about the progress of this.

Please don't hesitate to call tomorrow if needed.
