Vanessa

The exec have asked me to attend BAC strategy meetings on Wednesdays at 11.30. This will require early finish or reschedule of case reviews.

On Mondays I propose that we start case conference immediately after morning meeting and have scheduled break from 12-1. Does that suit ward timetable?

I would like to start seeing parents. Where is appropriate? To start I have asked Liam to arrange for [REDACTED] to come down. I asked [REDACTED] to say hi to [REDACTED] from me. I would like cc involved in meeting with him. I am happy to stay back to see him if his schedule is an issue.

To clarify my hours: Mon, Tues Thurs 8-4.30; Wed 9-5.30; Fri 8-12
