Dear Ms Dwyer

Thank you for your Memo dated 12 November 2012 concerning an update on the Barrett Adolescent Centre.

The Darling Downs Hospital and Health Service was fortunate to receive capital and some limited operational funding for an inpatient Adolescent Mental Health Service. The Statewide nature of the Barrett Service is appreciated and I look forward to hearing developments.

I wonder however whether the statewide component falls within the remit of the Children's Health Queensland Hospital and Health Service (CHQHHS). I think it is opportune to consider this given the recent consultation paper from the CHQHHS.

Yours sincerely
