Dear Colleagues

Please find attached for your consideration the **Preamble** and **Service Model Elements** documents that have been endorsed by the Barrett Adolescent Strategy: Expert Clinical Reference Group (ECRG). These documents are the ECRG's proposed elements and recommendations for Adolescent Extended Treatment and Rehabilitation Services in Queensland.

As a member of the Planning Group, please take the time to review the documents prior to our meeting on Wednesday, 15 May 2013. Our task will be to review each recommendation and identify actions moving forward. A table has been attached to assist in your review process.

Importantly, these documents remain confidential to the Barrett Adolescent Strategy and should not be disseminated or discussed outside the Planning Group membership.

Can I take this opportunity to sincerely thank the ECRG for their significant commitment and contribution to this process.

I look forward to our discussions on Wednesday.

Regards
 Sharon
