Subject: proposed BAC planning group meeting this Friday April 26th

Good morning,

I note there is a proposed planning group meeting this coming Friday. After discussions with the CE and recognising that the planning group will have not yet seen the recommendations from the ECRG I have determined to cancel Friday's meeting to a later date to be advised.

I apologise for the late decision, however I believe it is important that we ensure adequate time is given for these decisions.

Please contact me if you have any particular concerns as Kris Antal will be contacting you in the next few days to identify a more suitable date.

Regards
Sharon
