**Subject:** re: our potentially mutual patient

Hi Anne,

Assume you will be there till 8 pm tonight!! Anyway, we have started here - HASP meeting on next Friday 6th Dec but coordinator in the branch has asked for patients with high priority so we should put this [REDACTED] up. Are you able to provide us with a 1 page summary to take to HASP, CCU etc to start the discussion? Thanks Jacinta

Dr Jacinta Powell  
Clinical Director
