Dear Bill

Please see attached report that Helen Doyle and myself prepared regarding The Park review.

A draft was provided to Will Brennan, Mark Keiran and Leanne Geppert on 24th April to ensure the report did not contain any factual inaccuracies. Feedback received has been incorporated into the report.

Given that the request for the review came from yourself, I felt that I should provide the review report to your self for consideration prior to forwarding to Ms Pam Lane.

Kind regards, Karlyn
