Hello Stephen

Please find attached the costing calculation for the Extended Treatment Beds. We now have approval to release this information to you.

Please note that this cost is in addition to the normal cost per bed per patient admitted to the CYMHS Inpatient Services Unit.

With regard to the admission criteria and protocols for use of these beds, I would suggest that you speak with Brett prior to taking this agenda item to the statewide meeting next week. There are a number of considerations that need to be taken into account.

Please contact [REDACTED] if you are requiring any further information.

Regards
Erica
